## **The Principality And Power Of Europe**

Britain and the emerging Holy Roman Empire

**FOREWORD BY LORD TONYPANDY**

**ADRIAN HILTON**

The right of the United Kingdom to remain independent politically, economically and religiously has been surrendered to Brussels without consent or understanding. The blind are leading the blind into an irreversible ever closer union'. This timely and lucid book throws light on the spiritual and political powers at work throughout Europe.

**\* The importance of Sovereignty**

**\* The political role of the Vatican and the Papacy**

**\* The threat to the Throne of the United Kingdom**

**\* The European propaganda and media bias**

"Adrian Hilton has rendered the nation a great service by this well researched book. Every British citizen should read and digest the information presented."

**Lord Tonypany**

Former Speaker of the House of Commons
